

Dear Reviewer:

Thank you for your letter and your kind comments. We have thoughtfully taken into account these comments. The point-to-point responses are given here.

Comments and suggestions for authors are provided below and for supplementary materials in an attached file.

Response: We are very sorry for our mistake. The table that already appear in the main text has been deleted in the supplementary materials.

Line 43: "...meat bacterial..." change to "...meat bacteria..."

Response: We are very sorry for our mistake. "...meat bacterial..." has been modified for "...meat bacteria..." in the manuscript.

Line 78: "...risks.[19]" change to "...risks [19]."

Response: We are very sorry for our mistake. "...risks.[19]" has been modified for "...risks [19]." in the manuscript.

Line 123: "...were repeated for..." delete "for" and change to "...were repeated..."

Response: We are very sorry for our mistake. "...were repeated for..." has been deleted and modified for "...were repeated..." in the manuscript.

Line 154: "...and 1 mL were taken..." change to "...and 1 mL was taken..."

Response: We are very sorry for our mistake. "...and 1 mL were taken..." has been modified for "...and 1 mL was taken..." in the manuscript.

Line 169: "...employed as nebulizer..." add "a" and change to "...employed as a nebulizer..."

Response: We are very sorry for our mistake. "...employed as nebulizer..." has been modified for "...employed as a nebulizer..." in the manuscript.

Line 191: "...were detected for..." change to "were prospected for"

Response: We are very sorry for our mistake. "...were detected for..." has been modified for "were prospected for" in the manuscript.

Table 1. and Line 198 : there are no letters within a column in the table which define the statistical significances

Response: We are very sorry for our mistake. We have deleted the explanation of letters which define the statistical significances.

Line 242: "...was shown..." change to "...is shown..."

Response: We are very sorry for our mistake. "...was shown..." has been modified for "...is shown..." in the manuscript.

Line 293: "...were shown..." change to "...are shown..."

Response: We are very sorry for our mistake. "...were shown..." has been modified for "...are shown..." in the manuscript.

Line 297: "...( $P < 0.05$ )..." change to "...( $P > 0.05$ )..."

Response: We are very sorry for our mistake. "...( $P < 0.05$ )..." has been modified for "...( $P > 0.05$ )..." in the manuscript.

Line 337: "Antimicrobial residues were..." delete "were" and change to "Antimicrobial residues..."

Response: We are very sorry for our mistake. "Antimicrobial residues were..." has been modified for "Antimicrobial residues..." in the manuscript.

Line 348: "Over use..." change to "Overuse..."

Response: We are very sorry for our mistake. "Over use..." has been modified for "Overuse..." in the manuscript.

Line 349: "...caused residue and pollution of antimicrobials in..." change to "...caused occurrence of antimicrobial residues and pollution in..."

Response: We are very sorry for our mistake. "...caused residue and pollution of antimicrobials in..." has been modified for "...caused occurrence of antimicrobial residues and pollution in..." in the manuscript.

We are sorry again for our mistakes. We would like to express our great appreciation for your warm work earnestly, and hope that the correction will meet with approval.

Thank you and best regards.

Yours sincerely,

Jing Cao.
